

UNITED STATES DISTRICT COURT  
for the  
EASTERN DISTRICT OF NORTH CAROLINA

**U.S.A. vs. Jaynell Lynn Echols**

**Docket No. 7:14-CR-90-2BO**

**Petition for Action on Supervised Release**

COMES NOW Kristyn Super, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Jaynell Lynn Echols, who, upon an earlier plea of guilty to Conspiracy to Distribute and Possess With Intent to Distribute a Quantity of Cocaine and Cocaine Base (Crack), in violation of 21 U.S.C. § 841(a)(1) and 21 U.S.C. § 846, was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on August 25, 2015, to the custody of the Bureau of Prisons for a term of 20 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 60 months.

Jaynell Lynn Echols was released from custody on April 5, 2016, at which time the term of supervised release commenced.

On July 5, 2016, a Violation Report was submitted to the court advising that the defendant was charged with Driving While License Revoked in Onslow County, North Carolina, on May 29, 2016. As this was the defendant's first infraction, supervision was permitted to continue.

On May 15, 2017, a Petition for Action was filed with the court reporting that the defendant was charged with Driving While License Revoked and Failing to Wear a Seatbelt in Onslow County, NC (17CR703530). As a sanction for the violation conduct, the conditions of supervised release were modified to include completion of 20 hours of community service.

On May 24, 2018, a Petition for Action was filed with the court reporting that the defendant tested positive for oxycodone. At that time, due to her late term pregnancy, the DROPS sanction was removed from her conditions and she began cognitive interventions and mental health counseling.

On May 30, 2018, a Violation Report was submitted to the court reporting that the defendant tested positive for oxycodone. Given that she was scheduled to begin mental health counseling, supervision was permitted to continue.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

On June 7, 2018, the defendant submitted to a urinalysis screening, which was confirmed as positive for oxymorphone by Alere Laboratories on June 17, 2018. Ms. Echols was confronted with the results of this test and admits to taking the medication without a prescription. In a continued effort to assist Ms. Echols with these issues, she was scheduled for an intake appointment with a substance abuse counselor for June 28, 2018. This will be in addition to the mental health counseling that has been initiated. It is respectfully requested that the conditions of supervised release be modified to include participation in parenting classes and that she cooperate with Onslow County Department of Social Services.

**PRAYING THAT THE COURT WILL ORDER** that the conditions be modified as follows:

1. The defendant shall participate in a program aimed at addressing parenting skills.
2. Cooperate with Onslow County Department of Social Services.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing  
is true and correct.
